

Shree AP Construction

Specialist Engineering & Construction Contractor

<http://www.shreeapconstruction.com/>

Engineering Craftsmen

Fabrication and Erection

Specialist Engineering

The Construction Artisan's talents go beyond their craftsmanship. With a sensitivity akin to that of a doctor, they approach their work with a deep understanding and compassion. Every project is a canvas on which they pour their heart and soul, ensuring that the end result not only meets standards but also resonates with the needs and desires of those who will inhabit their creations.

What we do

We build useful structures :

- Oil & Gas Tank storage and distribution terminals
- All type of tanks according to various standards, such as API 650, 620, etc. We also revamp terminals and take shut down works.
- We undertake work on EPC / Lumpsum turnkey basis.
- We undertake pipeline works, such as Trunk pipelines, flow lines, water and steam injection lines, well-head works.
- Water pipelines and pump houses.
- We take work related to oil & gas, chemical, pharma and other industrial plants on composite work - CEMI basis / including engineering.

Mission & Vision

Our vision

Our vision is for SHREE AP CONSTRUCTION to be the global player in fabrication & erection facilities, admired by customers and employees for consistently delivering and rewarding excellence.

Work to world-class standards

- Focus always on customer satisfaction
- Respect the environment and are sensitive to the communities in which we work
- Promote and reward on merit

Our values

SHREE AP CONSTRUCTION is a culturally diverse, international Company, united by shared values.

Shree AP Constructionn people are:

- Safety Conscious
- Ethical
- Innovative
- Cost-conscious
- Responsive to customers and
- Focus relentlessly on delivering results

CPFS - OMAN

Client , Consultants and Contractors Address :

Client	Occidental Mukhaizna Llc (Oxy)
Main Contractor UAE	Dodsal & Co Llc - Dubai
Contractor	Chemie Tech Llc - Sharjah Uae
Sub Contractor	Under The Banner Of G R Tanks

Contractor

Design & Documentation Reference Specifications

- Api 650 – 2000 Edition
- Asme Section Ix - Latest Edition
- Contract Specifications / Stipulations

Job Executed & Current Assignments

Company : IOT Anwasha Engineering & Construction

Project Completed : 2011 - 2012 (INDIA)

Limited Project : Fabrication, Erection & Hydrotest of Bullets

Project : Paradeep Boot Project - IOCL Site Paradip.

Sub Contractor : Under The Banner of G R Tanks

Bullet Description	Propylene Mounted Bullet
Dia (Mtrs.)	6.4
Length (Mtrs.)	93
Qty. Nos.	3
Weight (MT) Each	925
Total Weight	2775

Job Executed & Current Assignments

COMPANY : IOT Anwasha Engineering & Construction Limited

Project Completed: 2011 – 2012 (INDIA)

Project : Fabrication, Erection & Hydrotest of Horton

Sphere Project : BCPL, Lepetkata, Dibrugarh(Assam)

Sub Contractor : Under The Banner of G R Tanks

Bullet Description	Horton Sphere
Dia (Mtrs.)	31
Length (Mtrs.)	
Qty. Nos.	3
Weight (MT) Each	1210
Total Weight	3630

Job Executed & Current Assignments

COMPANY : Indus Projects Ltd

Project Completed: 2012 – 2013 (INDIA)

Project : Fabrication, Fitup, Welding and Hydrotest of Pressure Vessels

Project at : GAIL, PATA

Sub Contractor : Under The Banner of G R Tanks

Vessels Description	Pressure Vessels
Dia (Mtrs.)	5,5,5,7.8
Length (Mtrs.)	1,81,83,035
Qty. Nos.	4
Weight (MT) Each	500

Job Executed & Current Assignments

Project Completed: 2018-19

Project title: Construction of Storage Terminal

CLIENT : VOPAK Lesedi Storage Terminal South Africa

MAIN CONTRACTOR : Chemietech DMCC LTD, Sharjah

Sub Contractor : Shree AP Construction

Place : Heidelberg, South Africa

Job Executed & Current Assignments

Project Ongoing: 2018-22

Project title: Fabrication and Erection of

Tankage CLIENT : Dangote Refinery, Nigeria

MAIN CONTRACTOR : Chemietech DMCC LTD, Sharjah
